
Title: The Triad

Author: Orelen

Britain, city of
Compassion, a place of
Honor with leadership
worthy of such, but
under every city lays
secrets, and skeletons
buried deep in the closet.
The Triad, the rulers of
Britain, and the
controllers of all
merchant activity, have
taken an eye to you, if
this book has found it's
way into your possession.

Our will is iron, our hand
the edge of a blade, and
our eyes sparkle of gold
and gems. Thugs,
Gangsters, Thieves, we
have been called many
things, but what we truly
are effective.

Britain, our city and our
people hold top priority
of our defense, for it is
they who will make us
wealthy. Do riches beyond
all your dreams call you?
Are you ready to abandon
an archaic moral code to
get to where you wish?

Then the Triad welcomes
you into our city, and
extends our hand warmly
to a new member of the
Family.

The Triad is a role
playing guild that is a
member of the Atlantic
Role playing Community. If
you are interested in
joining please send a
